

Welcome to a better way

About RateSetter

At RateSetter we connect people who want to lend with people who want to borrow. We cut out the traditional middleman so both lenders and borrowers get a better deal. Since 2010, we've given people and businesses access to over £3bn of finance.

Already one of the UK's most popular peer-to-peer platforms. We want to offer a great service to all our customers, tailored to their needs.

RateSetter won Best Peer-to-Peer Lender in the FT and Investors Chronicle Investment and Wealth Management Awards in 2014, 2015, 2016 and 2018. It has been the highest rated P2P lender by Which? readers in each of the last three years. In January 2019, it won Peer-to-Peer Provider of the Year in the MoneyFacts Consumer Awards for the fourth consecutive year.

RateSetter is rated 'Excellent' on TrustPilot*.
